Northway's Electronics Policy:

Cell phones, iPods, etc. are not allowed at Northway. They can greatly detract from the wilderness experience. Camp is an opportunity for your daughter to have a break from all the technology that is ever-present in her life throughout the rest of the year. As a child's dependence on electronic entertainment and communication increases, so does the importance of time away from it. Camp is an opportunity for your daughter to grow and experience greater independence and autonomy. She will form friendships with other girls that will last a lifetime. Keeping the camp environment free of distracting electronic devices will help this special bonding experience. A child who brings electronics to camp can unwittingly ruin the wilderness experience for her fellow campers. Thank you for your understanding and support of this policy.

Legal Info:

They may also be posted to our Facebook or Instagram accounts. Please let us know if you prefer your child's photo not be used.
- I desire my child to participate in the full camp program unless I advise the Camp as to any restriction in activity in writing. I agree that the Camp having taken such precautions it deems advisable, shall not be responsible for any sickness, accident or injury to my child. Permission is given to use photos of my child for Camp purposes.
